NATIONAL TAKE BACK INITIATIVE

The Hilltown Township Police Department has once again partnered with the Office of the District Attorney of Bucks County and the U.S. D.O.J. Drug Enforcement Agency (DEA) in an ongoing effort to collect unwanted and expired prescription medications. The purpose of this Initiative is to keep these dangerous drugs from children and those that would abuse them. It also prevents these medications from entering the water supply.

This nationwide Initiative is scheduled for Saturday, April 28, 2012 from 10:00 AM to 2:00 PM. Hilltown Township Police will collect the drugs in the main lobby of the Township's Municipal Building located at 13 West Creamery Road, Hilltown, PA.

Please visit www.dea.gov for additional information or for a collection site near you.
