

HILLTOWN TOWNSHIP
PUBLIC MEETING
BID #91-1 - Police Vehicles
Monday, March 11, 1991 - 2:00PM

The bid opening for Bid #91-1, Police Vehicles, took place at the Hilltown Township Municipal Building at 2:00PM on Monday, March 11, 1991, per Legal Notice advertisement in the News Herald newspaper.

- Those in attendance were: William H. Bennett, Jr., Chairman
Board of Supervisors
- George C. Egly, Chief of Police
- Maria Gerhart, Recording Secretary
- Larry Gular, A & T Chevrolet

Only one bid for police vehicles was received. Specifications for police vehicles were reviewed and the possibility of a trade-in was discussed. Mr. Bennett asked Mr. Gular's advice on a trade-in, as opposed to selling the car ourselves. Mr. Gular felt unless the Township had someone specific in mind to purchase the car, with the cost of advertising, etc., the Township would probably do better trading it in. Mr. Bennett advised a decision would be made at this evening's Board of Supervisor's meeting. Chief Egly will contact Mr. Gular on Tuesday morning, March 12, 1991, with the Board of Supervisor's decision.

The meeting was adjourned at 2:10PM.

Respectfully submitted,

Lynda Seimes
