

SPECIAL MEETING

A special meeting was held this August 28, 1972, by the Supervisors of Hilltown Township at the Township Building, Route 113 and Diamond St., Silverdale, Pa., at 7:30 P.M.

Present were Mr. Frankenfield, Mr. Hartshorne, Mr. Moyer, Mr. Alderfer, Mr. Ehlinger, and Mr. Shoemaker.

The subject for discussion was in reference to running an extension from the area of Twin Brook Road along Blooming Glen Rd., to Hayhouse Rd. to Rickert Rd. then to the Moylan Development located on Welcomehouse Rd. and Longview Rd.

The Supervisors position was that we would let the developers pay for the line from Twinbrook Rd. to the development.

Mr. Alderfer stated that he was willing to build the line at his expense, to expedite the building of the sewer line to the development, but he would like to know how and when he could be expected to be reimbursed.

The secretary is to instruct our Engineer, Cowan Associates, to proceed to make an in depth study from Twinbrook Rd. to the Moylan Development Subdivision.

On a motion by Mr. Frankenfield, which was seconded by Mr. Hartshorne, the meeting was adjourned at 10:30 P.M.

Respectfully submitted,

U. Arthur Moyer, Secretary
