

SPECIAL MEETING

A meeting on August 7, 1972, of the Hilltown Township Supervisors and the officers of the Souderton Volunteer Fire Co. was held at the Hilltown Township Building. Present were all the Supervisors, Fire Company President, Mr. Hunsicker, Vice President, Mr. Harvey Blenk and Fire Chief, Mr. Paul Stoudt.

A topic of discussion was the amount of money Hilltown Township would contribute to the Fire Company.

The Supervisors realize that the fire company has need for financial aid and we will endeavor to appropriate a larger sum for the year 1973.

No definite amount was agreed upon, excepting that the township will provide a greater amount than heretofore. Upon this suggestion the meeting adjourned.

The motion for adjournment, was made by Mr. Frankenfield, and seconded by Mr. Moyer.

J. Arthur Moyer
Secretary

Mr. Hartshorne stated that Mr. Solliday, acting postmaster of Perkasio, wanted to meet with us, and if we would reconsider our decision of August 3, 1972, at the Supervisor's meeting to have our township engineer to proceed with the house numbering for the rest of Hilltown Township served by the Perkasio Post office.

After some discussion pro and con, the Supervisors agreed to Mr. Solliday's request, and that the supervisors would instruct Mr. Cowan, our engineer, to proceed with the house numbering project.

Respectfully submitted,

J. Arthur Moyer
Secretary
